“SHOULD I TALK TO MY CHILD ABOUT FIREARMS?”

YES – It is better to talk to your child or teen about firearms before they come across one.

DID YOU KNOW?

Nearly 50% of households in the United States have at least one firearm

Even if you do not have one in your home, chances are high that your child will be in a home that does have one at some point.

**Storing Firearms Up High Is NOT
Safe - Children Are Curious**

We ask a lot of questions about homes where our children visit, ask about firearms and how they are stored.
